Meet the kids

B — **Billy, 2**
At school most days 8:30–11:45, so minimal care. When he's home, take him in our truck to the playground or an outing.

E — **Emma, 2 months**
Your main focus: bottles, diaper changes, cuddles and naps, following Alice's routine.

Why it's a great gig

Paid downtime
Emma naps a couple of hours each shift: take a break, study or nap. Still paid.

Light extras only
An occasional errand or household task, but we won't pack your downtime with chores.

No experience needed
Just high energy and a willingness to learn and follow direction from Alice (Mom).
